To Whom It May Concern:

Please accept this letter of recommendation in support of David K Bagley's application for the position or opportunity as posted.

David has proven to be an outstanding individual in a number of areas during my time as his professional peer. From our initial meeting, he held a recognizable artistic essence. Poised with attentiveness, I have seen his veracity and hunger for growth in all areas of this artform. David operates at a high level of emotional, critical, and creative cognitions and incorporates them seamlessly within his craft. I have trained and witnessed him execute highly focused and conceptually innovative movement approaches to his improvisation and choreography providing him with a variety of different dance movement dynamics and textures. Due to his ability to execute his movements with such a virtuosic and already well-seasoned approach, it leaves me without any doubts that he would be an amazing addition to your opportunity.

Upon first meeting David, I noticed that he was a true philomath and had a passion for learning. His hunger, drive, and hyper-focused, yet loveable, energy radiated out of him making him immediately engaging to work with. I have first-handly witnessed him be dependable and capable of facing extreme conditions, creating in the moment, preserving and coming out on top. This was all done with grace and a smile on his face. His keen abilities to uphold Himself in a respectable, prepared, and collected manner has proved to me that he can navigate any social and professional environment with his own fluidity and grace.

This letter is composed without hesitation or doubt that David K Bagley would be an excellent candidate in your search for an individual who is eager and prepared to meet the demands of any position he is qualified to apply for.
