

Letter of Recommendation

Cathy Rigby

Evaluation Statement Cathy Rigby:

To whom it may concern My name is Cathy Rigby McCoy. I was a two time **Olympic Gymnast**, the **Director** and **Owner** of **McCoy Rigby Conservatory of the Arts**, For the past 24 years my husband, Tom McCoy And I have produced the McCoy Rigby Theater Series for the **La Mirada Theater** for the Performing Arts. We have **Emmy, Tony** and **Ovation Awards** and nominations.

I humbly give you our credits only to show how many brilliant artistic dancers, actors, singers, Directors and creative designers we work with every year. David is one of the best teachers/coaches I've had the pleasure of working with. As director of 500 Conservatory students, I am always on the lookout for instructors who are up to date on the best technique and choreography... As a businesswoman, I appreciate the fact that David has a wonderful following and during Master Classes, he's able to help our conservatory grow in reputation and sheer numbers. Southern California has some of the very best studios in the country and competition is fierce.

David has wonderful name recognition in the Dance world. He always pulls in students outside our conservatory simply because of how and what he's capable of teaching in a single class. Having come from the world of competitive gymnastics I appreciate David's ability to not only teach technique but to also identify what each class or individual dancer is struggling with.

He's not only knowledgeable of all that is dance but in my estimation, he understands the psychology behind training. David is tough and fair, every dancer feels valuable.

He's a vibrant and energetic motivator! I challenge any other coach, mentor or instructor to maintain his level of energy and focus Each and every class he walks in to. David is successful because of hard work and an intrinsic love of dance. David is a brilliant dancer, artist, choreographer and teacher. I highly and humbly Suggest you accept David into your program.

Sincerely, Cathy Rigby McCoy
